A: How did know how to latch on to that Toby guy? The other two are pretty ... lame.

C: Yeah, he's definitely the coolest of all those guys.

B: My grandmother advised me to volunteer to do their sewing before they got here.

C: I didn't. I hate sewing.

A: Your grandma?

B: Once two guys were courting her and she couldn't tell which was a man of prayer and action and which was a lazy bum. Her grandmother told her the answer could be found by mending their pants. She did and the answer became apparent.

A: How ?

B: On one guy's pants the seat was always worn out and on grandpa's it was always the knees.
