## What is an interactive murder mystery?

It seems like a perfectly normal night out ... until someone at your table dies. Suddenly you find yourself in the middle of a murder investigation as both a suspect and an investigator!

Mesa Murder Mysteries offers a killer combination of comedy, sleuthing, professional dinner theatre, and audience participation.

Because the actors are interspersed amongst the audience - no one knows who to trust ... except the special agent in charge.

Interrogate suspects, check out the evidence and have your cameras ready to take crime scene photos.

## Private Affairs

Planning a party? Do you and your guests want to get into the act? You choose the scenario and invite guests. We provide the roles for your guests to play, the murder, clues and a couple of actors to keep the party moving along. Call for details. (970) 628-1987

## Non-profits & fundraisers

Put the FUN in your next fundraiser.

Mesa Murder Mystery offers customizable scripts to suit your event and group's mission and can incorporate some of your people into the cast to make it an event no one will want to miss.

Ask us about our special rates for schools, non-profits and churches and how we can partner with you to apply for grant funding.
