What is an interactive murder mystery?

It seems like a perfectly normal night out ... until someone at your table dies. Suddenly you find yourself in the middle of a murder investigation as both a suspect and an investigator!

Mesa Murder Mysteries offers a killer combination of comedy, sleuthing, professional dinner theatre, and audience participation.

Because the actors are interspersed amongst the audience - no one knows who to trust ... with the exception of the special agent in charge.

Interrogate suspects, check out the evidence and have your cameras ready to take crime scene photos.

Party Crashers

We can put the surprise in your next surprise party. Two or even a trio of our actors attend your event as party crashers. They may seem as if they are part of your group ... at first. As time goes on it becomes more obvious they don't belong. Crowd favorites include: Long Lost Aunt and Uncle, The Bag Lady, Pawnbroker Harry Sneed, The Fortune Telling Gypsy and The Talent Scout.
